Doggett’s outstanding voting record on behalf of Texas farmers, ranchers, and rural communities. **“Congressman Doggett has won this honor consistently through the years for his work on behalf of our families,”** said Oldham.

**“From plow to plate, it’s critical that we preserve our way of life in rural communities. From pressing Agriculture Secretary Vilsack last year for timely drought relief to supporting a strong Farm Bill, I will keep listening to and advancing their priorities,”** said Rep. Doggett.
